

Family Event Rules, Scoring & Registration.

Think your family's got what it takes to reel in the title? Here's how to snag the win!

To be eligible to **win the event**, your **family team** must:

- Must all be a nominated angler in the General Ash Memorial Fishing Comp & Treasure Hunt.
- Register for the Family Event.
- Pay the \$5 entry Fee
- Catch **one (1)** of **each species listed below**
- **Measure and photograph** each catch
- **Submit all photos** through the Ash Memorial Fishing Comp App.
- Submit a photo of the whole family by texting your Family Photo & Name to 0421 830 714.

Only **one fish (or red claw)** per **species** will count toward your Team's total score.

Each catch earns **1 point per centimeter (1cm = 1 point)** based on the measured length. All measurements are to the closest 0.5cm.

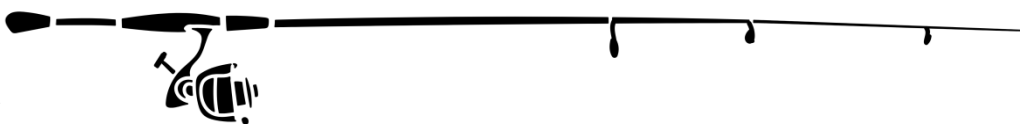

Example Scoring:

- Barramundi - 58.5cm = 58.5 points
- Sooty Grunter - 25cm = 25 points
- Catfish - 30cm = 30 points
- Red Claw - 15cm = 15 points

☐ **Total Team Points Example:** $58.5 + 25 + 30 + 15 = 128.5$ points

The family with the highest combined points across all four species will be crowned our Ultimate Fishing Family Champions!

Family record sheets will be given to registered families at Registration.
